Sir,

Sub:-Industries - Silk reeling - Government Silk Filatures, Salem - Disposal of two conservancy carts - Sanction - Requested.

---

The Inspector of Factories, Coimbatore, who inspects the Government Silk Filature, Salem, recently has reported that there is no arrangement for the proper disposal of night soil from the Filatures. Night soil is now being dumped in the adjoining land a few feet away from the latrines and this constitutes a serious menace to the health of the factory workers and general public. Two conservancy carts are therefore required to convey the night soil from the latrines to a distant place where it could be disposed of properly. Each conservancy cart is estimated to cost Rs.180/-. I request the Government may be pleased to sanction the above two conservancy
